Declaration

A season ticket will only be issued to you within a reasonable period following receipt of a completed form. A season ticket can be equated in contractual terms to an ordinary single-journey ticket, with the proviso that it is valid for a longer period. The season ticket holder accepts that purchase of a season ticket creates a contract with Collins River Enterprises Limited, trading as Thames Clippers, and that the standard conditions of carriage of Collins River Enterprises Limited (available on the website / upon request) have been incorporated into the contract. Once purchased, there will be no refund on the season ticket. If the season ticket is damaged or can no longer be read, Thames Clippers will replace it free of charge at the place where it was originally bought, provided Thames Clippers can confirm that it is still valid. If the season ticket holder loses a season ticket, Thames Clippers may, at its sole discretion, issue a duplicate ticket on payment of an administration fee. Fares are subject to change.

I have read and agree to the above mention and I verify that all information submitted is to the best of my knowledge.
